ELECTRONIC · BUILDING · UTILITIES · INSPECTIONS · LAND USE · DEVELOPMENT

Chesapeake
VIRGINIA

eBUILD delivers 24/7 web access to the planning, development, and permits application process.

- Apply for over seventy different types of permits & services.
- Submit both engineering and construction plans for review and approval and allow digital mark-up capability.
- Track the status of your projects from site plan submittal to Certificate of Occupancy.
- Pay for permits and services through Official Payments.
- Schedule inspections and see results.
- Get permits and Certificates of Occupancy through your online eBUILD account.
- Reduce printing, travel and plan storage costs
- Concurrent plan reviews by multiple departments.
